Dear Sir:

On November 30, 2009, a telephonic interview was conducted between Examiner Cehic and Marc S. Hanish, Reg. No. 42,626. The Examiner is kindly thanked for initiating this interview. The Examiner proposed several amendments to clean up various errors in the claims. As Applicant believed that these amendments do not change the substantive scope of the claims, the Applicant agreed. The Examiner indicated such changes would be entered as an Examiner's amendment and the case would be placed in condition for allowance.

Respectfully submitted,  
BEYER LAW GROUP LLP
